

Safety Data Sheet - RC-005

SAFETY DATA SHEET

Product: GHRP-2 Calibration 10mg

SKU: RC-005

Lot: A0050-26

Recommended Use: Laboratory research use only.

Uses Advised Against: Human consumption, clinical use, diagnostic use, veterinary use, and retail resale.

HANDLING AND STORAGE

Storage: -20C, desiccated

Handling: Use appropriate laboratory PPE and institutional handling controls.

Disposal: Dispose under applicable institutional chemical waste procedures.

COMPOSITION / INFORMATION ON INGREDIENTS

Sequence / Reference: Aib-His-D-2-Nal-D-Phe-Lys-NH₂

Molecular Weight: 711.86 Da

CAS: 170851-70-4

REGULATORY POSTURE

This Safety Data Sheet is generated from the supplier release record bound to this SKU at order time.
Batch-specific lab SDS files are linked on the order detail page.
